French	6,511	8,136	1,625
German	6,483	6,974	491
Brazilian	4,011	6,568	2,557
Other nationalities	86,396	81,889	-4,507
Total	268,180	293,830	25,650

Socio-economic Group (SEG)

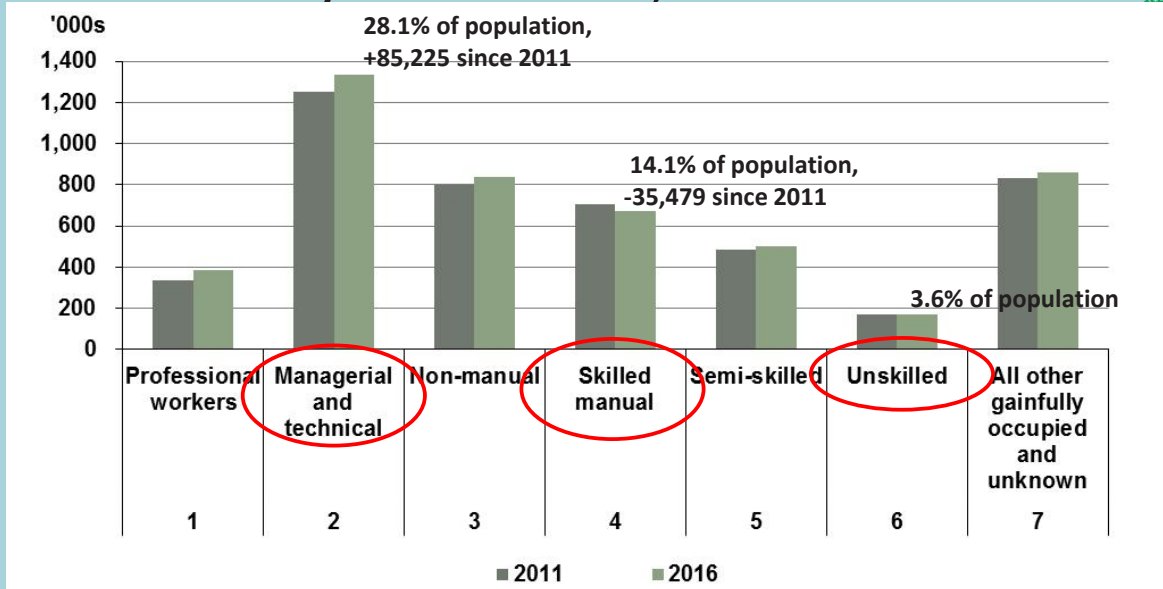

- Aim to bring together persons with similar social and economic statuses on the basis of the level of skill or education attainment required for their occupation (not a ranking scale)
- SEG is derived from occupation and employment status for workers, unemployed and retired
- Others are classified to the person in family/household on whom they are deemed dependent

Persons by socio-economic group and gender

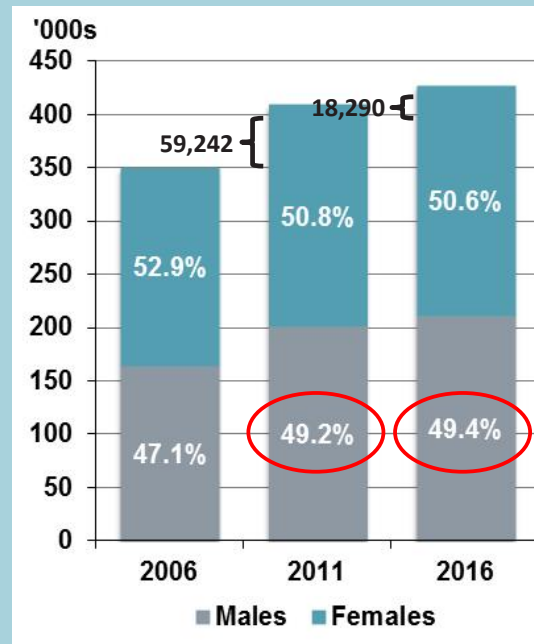

996,696 persons, of which 63.9% were females
 359,586 persons, of which 73.4% were males

Persons by social class, 2011 and 2016

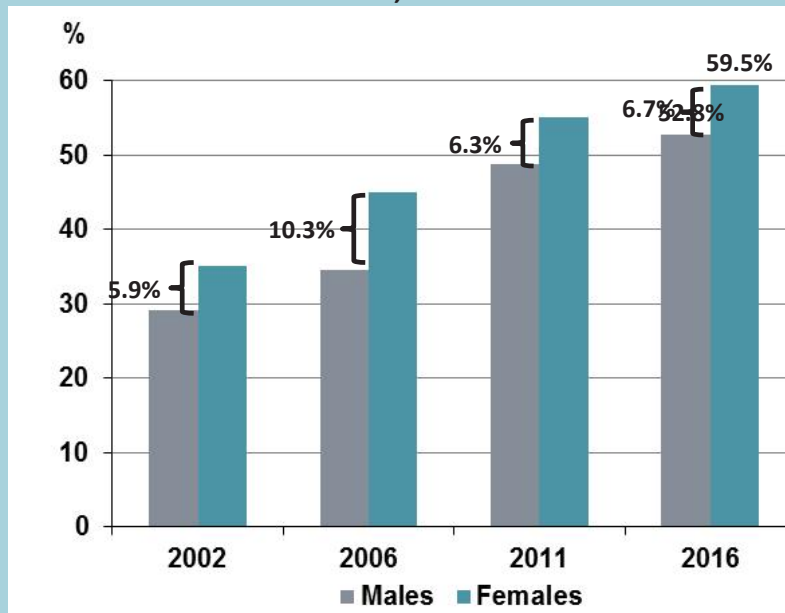

- Number of students increases
- Larger increase during 2006-2011
- Males gaining share

www.cso.ie

Participation rates of males and females aged 19-22 years in education, 2002-2016

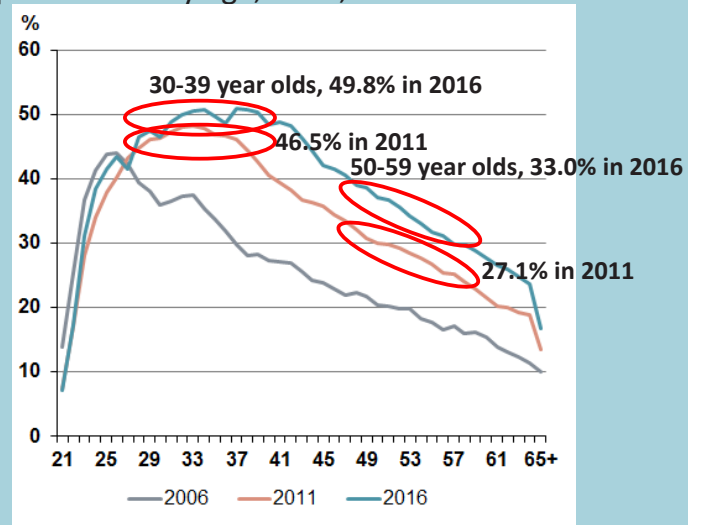

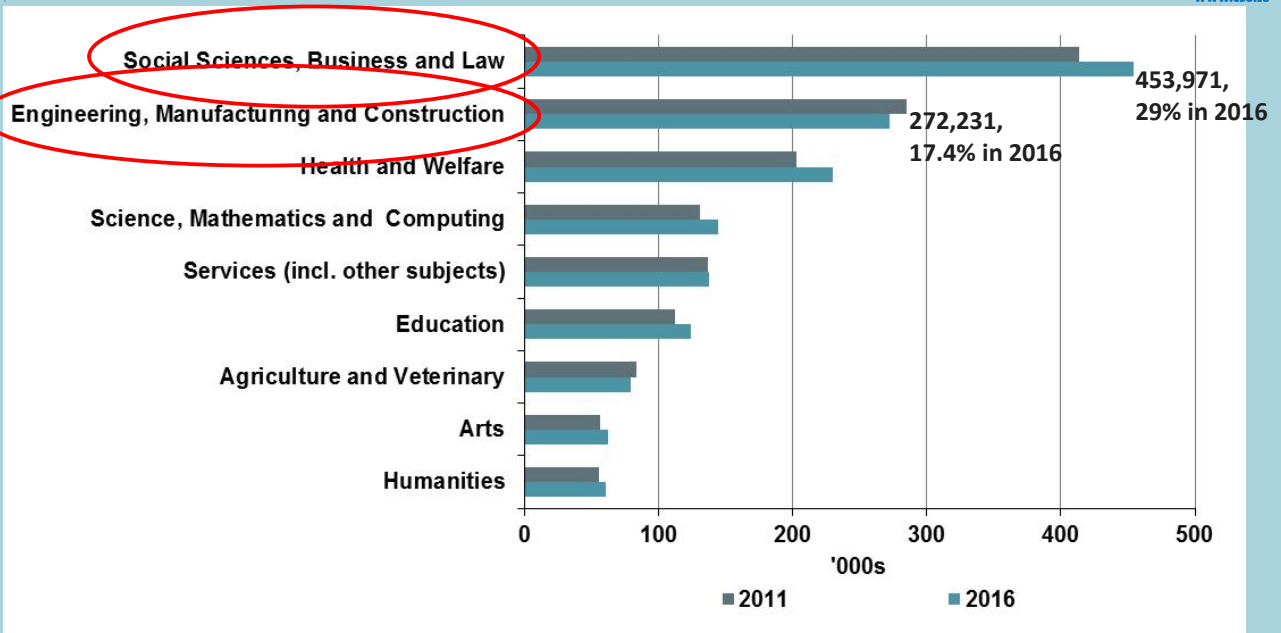

Level of education

- Progressive improvement in education attainment
- In 2016, educated to primary level aged 60+ was 34.4% aged 15-39 years was 3.6%
- In 2011, educated to primary level aged 60+ was 42.6% aged 15-39 years was 4.2%

Percentage of persons with a third level qualification by age, 2006, 2011 and 2016

Qualifications

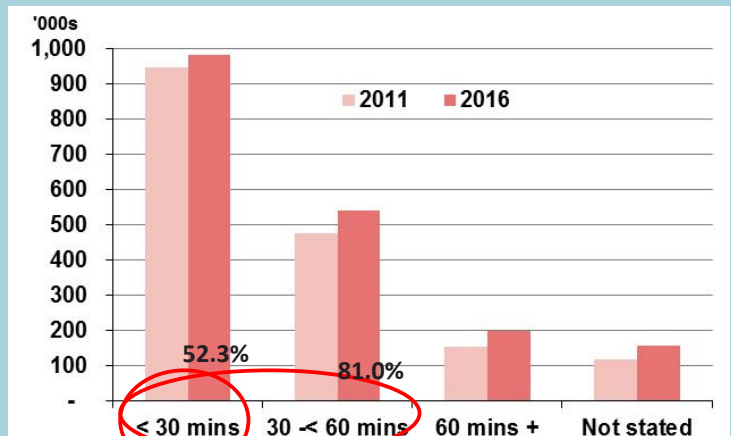

Commuting

- Number of travelling to work increased to 1.88m in 2016, increase of 10.7%
- People driving to work at 1,152,631, largest increase +85,180
- Car passengers at 77,335, +8,171
- Public transport increased by 30,144 to 174,569
- Cycling to work increased from 39,803 to 56,837 over the five years, increase of 42.8%

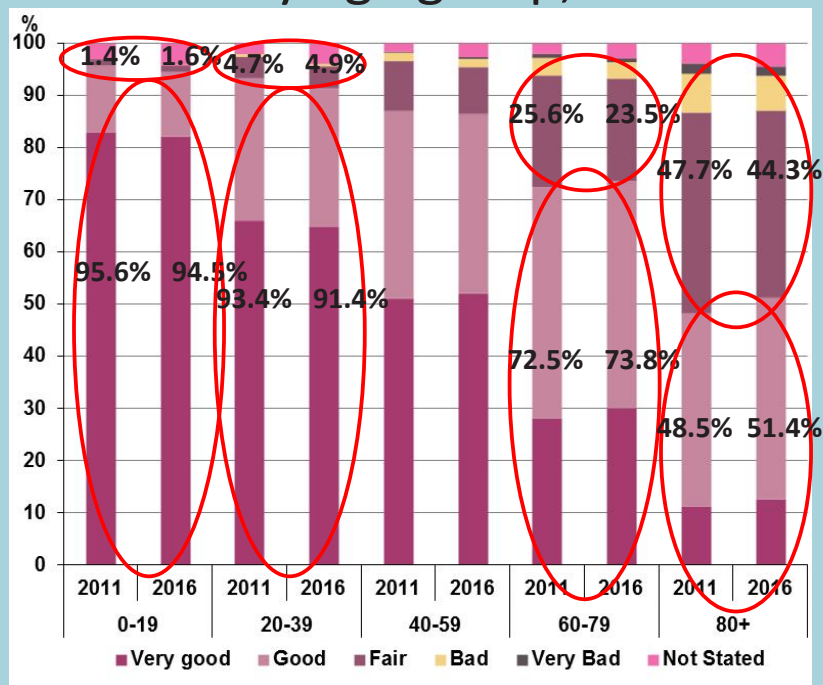

Workers by time taken to travel to work, 2011 and 2016

- Average time : 28.2 mins in 2016
26.6 mins in 2011
27.5 mins in 2006

General health by age group, 2011 and 2016

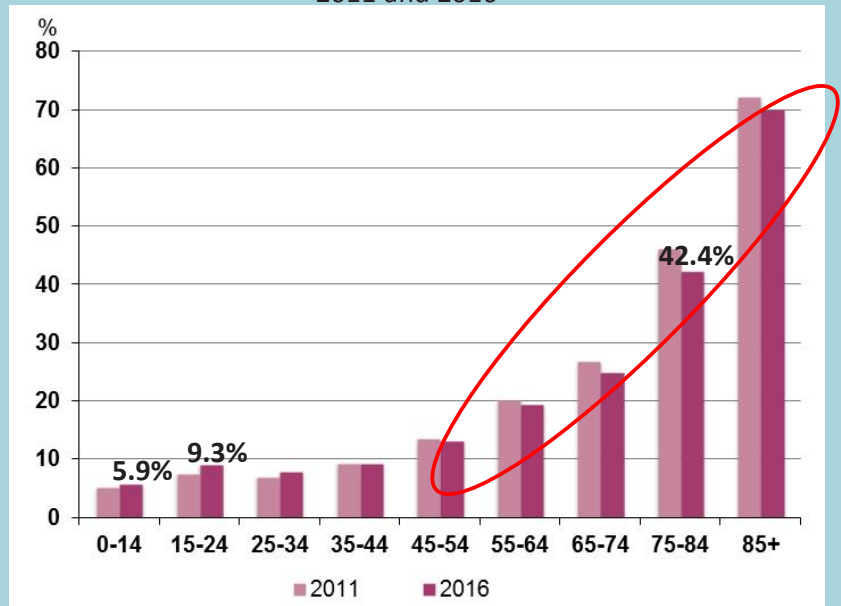

Disability

- 643,131 people with a disability in 2016, accounting for 13.5% of the population
- Increase on 2011 from 595,335 persons or 13.0% of the population, +47,796
- Among 0-14 year olds the rate was 5.9% , up from 5.4% in 2011, + 6,028
- Among 15-24 year olds the rate was 9.3%, up from 7.7% or +8,952 persons
- Rates fell for all the age groups 45+
- Number with a disability aged 65+ has increased by 20,319

Percentage of persons with a disability by age group, 2011 and 2016

Carers

Number of carers by hours spent caring per week, 2011 and 2016

Hours spent caring per week	Number of Carers	
	2011	2016
1-14 (up to 2 hours a day)	80,891	83,754
15-28 (between 2 and 4 hours a day)	29,255	31,129
29-42 (between 4 and 6 hours a day)	14,139	14,868
43 hours or more (6 hours a day or more)	39,982	41,185
Of which		
43-84 (between 6 and 12 hours a day)	15,787	15,325
85-167 (between 12 and 24 hours a day)	9,020	8,934
168 (24 hours a day)	15,175	16,926
Not stated	22,845	24,327
Total	187,112	195,263

- Account for 4.1% of the population
- Number of carers aged 44 or younger fell by 4,561 while carers aged 45 and over increased by 12,712
- Hours spent caring have increased
- Number of children providing unpaid care (aged under 14) reduced to 3,800 from 4,228 in 2011
- Child carers typically provided up to 2 hours a day
