XXXV. Showing the Total Population of the Principal Towns (not being Urban County Districts) in the County, according to Religious Professions, Sexes, and Degrees of Elementary Education ; also the Population Nine Years of Age and Upwards, and the Number and Proportion per cent. of these who were Illiterate	105
XXXVI. Showing for 1911 the Number and Ages of Persons who spoke Irish only, and Irish and English, in each County District and District Electoral Division	106
XXXVII. Showing, for 1911, as compared with 1901, the Number and Ages of Persons who spoke Irish only, and Irish and English, in each County District	110
XXXVIII. Showing, for the County, by District Electoral Divisions, the Number of Educational Establishments—Primary and Superior—and also the Number, Ages, and Religious Professions of the Pupils and Students—distinguishing resident from non-resident, and showing the nature of Education received—in attendance thereat, during the week ending 13th May, 1911	111
XXXIX. Summary of Educational Establishments	113
XL. Showing, by Sexes, the Number and Proportion per cent. to the Population, under each Religious Profession, of Persons receiving Instruction in Educational Establishments in the County, as constituted at each of the Censuses from 1881 to 1911	113

EMIGRATION.

XLI. Emigration from the County during each year, from the 1st of May, 1851, to the 31st of March, 1911	114
---	-----

CENSUS OF IRELAND, 1911.

COUNTY OF WESTMEATH.

IN addition to the information contained in the County Tables, it has been deemed advisable to adopt the course pursued in previous Censuses, and give the following Summary of the results obtained respecting the (Administrative) County of Westmeath from the Census Returns of 1911.

SUMMARY.

Area.—The (Administrative) County of Westmeath covers an area of 454,104 statute acres, or 2·2 per cent. of the total area of the country.

Population (Table II).—The number of persons in the County of Westmeath, according to the Census of 1901, was 61,629; and according to the recent Census, 59,986 (31,910 Males and 28,076 Females), or 2·67 per cent. less than in 1901.

County Districts (Table VI).—The following Statement shows, by County Districts (as constituted under the Local Government (Ireland) Act, 1898), the number of persons in 1901 and 1911, and the increase or decrease during the decade:—

COUNTY DISTRICTS.	Population.		Increase or Decrease between 1901 and 1911.		
	1901.	1911.	Number.		Rate per cent.
			Increase.	Decrease.	
Athlone Urban,	6,617	7,472	855	—	12·9
Athlone No. 1 Rural,	9,946	9,350	—	596	6·0
Ballymore Rural,*	3,429	3,069	—	360	10·5
Coole Rural,†	3,702	3,391	—	311	8·4
Delvin Rural,	8,477	7,864	—	613	7·2
Kilbeggan Rural,‡	2,411	2,082	—	329	13·6
Mullingar Rural,	27,047	26,758	—	289	1·1
Total,	61,629	59,986	—	1,643	2·7

* Formerly Ballymahon No. 2.

† Formerly Granard No. 3.

‡ Formerly Tullamore No. 2.

From the foregoing Statement it will be observed that there was an increase in one County District, viz., 12·9 per cent. in Athlone Urban; and decreases in the remaining 6 County Districts, ranging from 13·6 per cent. in Kilbeggan Rural and 10·5 per cent. in Ballymore Rural, to 6·0 per cent. in Athlone No. 1 Rural, and 1·1 per cent. in Mullingar Rural.

Families and Houses (Table VIII).—The number of distinct Families in the County at the time of the late enumeration was 12,953, the average number of persons in a family being thus 4·4. The number of Inhabited Houses was 12,617, showing an average of 4·5 persons to each house. In calculating these averages the Special Inmates of Public Institutions have been omitted.

Occupiers of less than 5 Rooms (Tables IX., X).—The number of Occupiers (or Heads of Families) in occupation of less than five rooms in 1911 was 9,778, or 75·5 per cent. of the total number of Families in the County, and of these 423, or 3·2 per cent. of the total number of Families in the County, were occupiers of one room; 2,599, or 20·1 per cent., occupiers of two rooms; 4,037, or 31·2 per cent., occupiers of three rooms; and 2,719, or 21·0 per cent., occupiers of four rooms.

The number of Tenements of One Room in the County was 423, comprising 204 cases in which the room had only one occupant; 172 where the room had 2, 3, or 4 occupants; 41 cases in which there were 5, 6, or 7 occupants; and 6 cases where the occupants exceeded 7 in number, including 2 cases of 10 persons in the room.

Civic Areas.—Towns having, in 1911, a population of 2,000 and upwards, are classified as Civic Areas. The County contains 2 such Areas, viz., Athlone and Mullingar. In 1901 the population of these areas amounted to 11,117. In 1911 it was 13,011, showing an increase of 1,894 persons, or 17·0 per cent.; but in the remainder of the County there was a decrease of 7·0 per cent.

Pauperism (Table XII).—The number of persons returned in 1901 as receiving relief under the Poor Law System was 1,637, or one in every 38 of the population; of this number 623 were inmates of Workhouses, and 1,014 were in receipt of Outdoor Relief. In 1911 the number returned was 1,193, or one in every 50 of the population; 548 of these being in the Workhouses, and 645 on Outdoor Relief, which figure includes 82 children Boarded-out, and 22 sent to Certified Schools.

The Sick (Table XII).—In 1901 the number of persons in the County of Westmeath, returned as Sick, on the night of the Census, was 405, or one in every 152 of the population. In 1911 the number so returned was 336, or one in every 179 of the Population; of the latter number 130 were at their own homes, and 206 were in hospital.

Marriages, Births, and Deaths (Table XIV).—For the purposes of Registration of Births, Deaths, and Marriages, the Poor Law Union forms a "Superintendent Registrar's District." Each Union or Superintendent Registrar's District is divided into Dispensary Districts for the Medical Relief of the Poor under the Medical Charities Act; these Dispensary Districts, save in a few instances, are identical with the Registrars' Districts. Each Dispensary District is composed of a certain number of District Electoral Divisions.

According to the returns of the Registrar-General, the number of Marriages registered in the County of Westmeath during the ten years ending 31st March, 1911, was 2,797, equal to an average annual rate of 4·6 per 1,000 of the population. The number registered in the whole of Ireland during the same period affords an average annual rate of 5·1 per 1,000.

The number of Births registered in the County during the ten years was 12,094, affording an average annual rate of 19·9 per 1,000 of the population, the average yearly rate for the whole of Ireland during the same period being 23·1 per 1,000.

The Deaths registered during the decennium amounted to 10,210, being equal to an average annual rate of 16·8 per 1,000; the corresponding rate for the whole of Ireland was 17·3 per 1,000.

Birthplaces of the Inhabitants (Table XXV).—Of the persons enumerated in the County in 1911, 78·5 per cent. were born therein; 9·6 per cent. in other Counties of the Province of Leinster; 1·5 per cent. in Munster; 1·8 per cent. in Ulster; 4·1 per cent. in Connaught; 3·8 per cent. in Great Britain; and 0·7 per cent. were born abroad.

Religious Professions (Table XXIX).—The following Statement shows, according to Religious Professions, the Inhabitants of the County of Westmeath in 1911:—

RELIGIOUS PROFESSIONS.	1911.	
	Number of Persons.	Per-centage of Total Population.
Roman Catholics.	54,779	91·3
Protestant Episcopalians,	4,550	7·6
Presbyterians,	342	0·6
Methodists,	203	0·3
All other Denominations (and Religion unascertained),	111	0·2
Information Refused,	1	0·0
Total,	59,986	100·

From the above Table it will be seen that of the total population of the County in 1911, 91·3 per cent. were Roman Catholics; 7·6 per cent. Protestant Episcopalians; 0·6 per cent. Presbyterians; and 0·3 per cent. Methodists. In 1901 Roman Catholics formed 92·0 per cent.; Protestant Episcopalians, 6·9 per cent.; Presbyterians, 0·5 per cent.; and Methodists, 0·4 per cent. of the population of the County.

Education (Tables XXX. and XXXIII).—In reckoning the number of Illiterates, the age of 9 years has now been substituted for the age of 5, which was formerly adopted.

On this basis the details of population, aged 9 years and upwards, for this County are:—

	Population, 9 years and upwards.	
	Numbers.	Proportion per cent.
Read and Write,	44,876	89·0
Read only,	1,579	3·2
Illiterate,	3,955	7·8
Total,	50,410	100·

For comparative purposes the figures for those between the ages of 5 and 9, who can read and write, are shown in Table XXX.

It is satisfactory to note that had the earlier age of five been taken as the starting point on this occasion, as in former years, it would have appeared that the per-centage of those unable to read or write, which was 16·6 in 1891, and 12·0 in 1901, had fallen to 10·0 in 1911.

Irish Speaking Population (Tables XXXVI. and XXXVII.).—The number of persons in the County of Westmeath returned as being able to speak the Irish Language in 1911 was 2,096, representing 3·5 per cent. of the total population of the County.

Table XXXVI. gives for the first time, by District Electoral Divisions, the information available regarding the Irish-speaking portion of the population; while Table XXXVII. shows, by County Districts, the numbers in 1911, as compared with those returned in 1901.

School Attendance (Table XXXVIII.).—The number of pupils attending school in the County of Westmeath, according to the Census of 1901 (week ending 11th May) was 9,401. In 1911 the number returned (for week ending 13th May) was 9,008.

Emigration (Table XLI.).—The number of Emigrants during the ten years ending 31st March, 1911, who stated that they were from the County of Westmeath, amounted to 2,597 (1,326 Males, and 1,271 Females); the number for the decade ending 31st March, 1901, was 3,354; for that ending with March, 1891, 9,695; for that ending with March, 1881, 7,347; for that ending with March, 1871, 11,309; and for that ending with March, 1861, 18,587; making a total of 52,889 for the sixty years.

NOTE.—The Census of 1821 is the first that affords a means of comparison with those of subsequent decades.
 The Navy and Military serving in Ireland are included in the Population Tables in 1861 and later, but not in previous Censuses.
 There were 1,229 Military returned as serving in the County of Westmeath in 1911.
 * The boundaries of this County were altered pursuant to the Local Government (Ireland) Act, 1898, by the addition of so much of the then existing judicial County of Roscommon as comprised the portion of the town of Athlone situated therein.

(a) The Civic Areas comprise all Municipal Boroughs, Urban Districts, and Towns of 2,000 inhabitants and upwards.

NOTE.—The plan of classification in the foregoing table is the same as that adopted in former Censuses, and may be thus described:—

The value or condition of a house, as to its quality, may be considered to depend mainly on—

1st. Its extent, as shown by the number of rooms; 2nd, its quality, as shown by the number of its windows; and 3rd, its solidity or durability, as shown by the material of its walls and roof. If numbers be adopted to express the position of every house in a scale of each of these elements, and if the numbers thus obtained for every house be added together, a new series of numbers will be produced, giving the position of each house in a scale compounded of all the elements, i.e., their actual state.

Four classes have been adopted, and the result is, that in the lowest of the four classes are comprised houses principally built of mud or other perishable material, having only one room and window; in the third a better description of house, varying from one to four rooms and windows; in the second, what might be considered a good farm house, having from five to nine rooms and windows; and in the first class all houses of a better description than the preceding.

The accommodation which the houses afford has also been arranged under four classes, viz.—

First Class accommodation, consisting of 1st class houses occupied by one family,

Second Class accommodation, consisting of 2nd class houses occupied by one family, or of 1st class houses occupied by two or three families.

Third Class accommodation, comprising 3rd class houses with one family each, or 2nd class houses with two or three families, or 1st class houses occupied by four or five families.

Fourth Class accommodation includes all 4th class houses, 3rd class houses with more than one family, 2nd class houses with four or more families, and 1st class houses inhabited by six or more families.
