

APPENDIX - NUMBER OF PERSONS IN CERTAIN OCCUPATIONS IN 1951 WITH COMPARATIVE FIGURES FOR 1926, 1936 AND 1946.

NOTE - On account of changes in the classification of occupations in 1951 the 1951 figures are not strictly comparable in all cases with those for earlier years. The more important changes are indicated by the footnotes. The numbers in certain groups for 1926, 1936 and 1946 do not agree with those published in earlier Census volumes as, wherever possible, occupations have been transferred from one group to another to make the groups comparable with those of the 1951 Census classification.
