Journey_Intro - Introduction to journey count

Name	Label	Location
Journey_Intro	Introduction to journey count	National Travel Survey › Travel
Type	Selection Type	Display Style
Multiple Choice	SelectOne	

Question

The next section will ask you about the journeys you made on a single day from last week. For the purpose of this survey a journey is defined as:

- Travel between locations to carry out a specific activity
- Locations can be a single premise e.g. house. apartment or a complex of premises (e.g. shopping centre, hospital)
- Round trips where you begin and end at the same location (e.g. going for a jog) are classified as a single journey
- Return trips (where you go to a place and then return after carrying out an activity) are classified as two journeys
- Greater than 100 metres in length
- Excluding travel outside the Republic of Ireland
- Excluding work related travel (e.g. milk round, taxi fares etc.)
