Question

Hello, my name is.... and I am from the Central Statistics Office.

I am carrying out a General Household Survey which explores how we all balance our work, our personal lives and our caring commitments. Your house has been selected as representing this area.

I will ask you a few questions to find out how many people live in your household and then one person will be selected at random to complete the survey.

Is it convenient for me to carry out the interview now?

Instructions

Please select one of the following

Question

Thank you for providing the relevant information.

As you are the only eligible adult residing in this household you have been selected to take part in this survey.

The survey explores how we balance our work commitments, our personal lives and our caring responsibilities. I can take a telphone number from you and complete the survey over the phone either now or by appointment at a more convenient time. It is a short survey and will take no longer than 10 minutes to complete.

All your information will be used for statistical purposes only, as per the Statistics Act, and all information collected is completely confidential.

Is it convenient for me to collect a phone number from you and make an appointment to complete the survey?
